Aspiring MERN Stack Developer

SUMMARY

Fresher B-Tech CSE graduate with hands-on experience in MERN stack (MongoDB, Express.js, React.js, Node.js) and Java programming. Proficient in developing full-stack web applications and backend systems through academic projects and internships. Eager to contribute to innovative software solutions at the company.

EDUCATION

B-Tech in Computer Science Engineering

Mangalmay Institute of Engineering and Technology, Greater Noida

2021 - 2025 I CQPA: 7.4/10

Relevant Coursework: Data Structures, Algorithms, Web Development, Database Systems

TECHNICAL SKILLS

Programming Languages: Java, JavaScript
Web Frameworks: Express.js, React.js, Node.js
Databases: MongoDB, PostgreSQL
Tools: Git, VS Code, Cursor, Windsulf, Trial

PROJECTS

E-Commerce Web Application (MERN Stack, 2024) 🔗

- Developed a full-stack e-commerce platform using MongoDB, Express.js, React.js, and Node.js, enabling user authentication and product filtering.
- Optimized API calls to reduce page load time by 30%.

Personal Portfolio (2024) 🔗

- Created a responsive personal portfolio website showcasing projects and skills using HTML, CSS, and JavaScript.
- Designed an intuitive user interface to highlight technical expertise and professional achievements.

TechGram (Final Year Project, 2025) 🔗

- Collaborated in a team to develop TechGram, an educational platform using MERN stack, facilitating interactive learning and resource sharing.
- Implemented responsive design and user-friendly features to enhance accessibility and engagement for students.

INTERNSHIP

Junior Software Developer Intern

Excellence Technologies

April 2025

- Developed backend APIs using Node.js and Express.js, integrating with Supabase to support a web application's data management.
- Contributed to front-end development using React.js, enhancing user interface functionality for improved user experience.

Front-end Web Development Intern

CodSoft, Greater Noida

05/2024 - 06/2024

- Completed a specialized internship in front-end web development with CodSoft.

CERTIFICATIONS

- Full-Stack Development Certification, IIT Kanpur Technology

ACHIEVEMENTS

- Received International Conference Certificate at Mangalmay Institute of Engineering and Technology, 2024.
- Participated as a volunteer in the National Service Scheme (NSS) program, 2023.
- Earned Microsoft Credential Certificates in AI Odyssey Skills Challenge, 2024.
